Hi Bud:-

How are you? And your mother, father and sister? I am fine, thanks!

Well I have two more merits which make 11 merits the last two were Camping and Woodcarving. I also got an Owasippe "O" and I am a member of the Order of the Arrow.

I went on a Canoe trip which lasted for 2 nights and 3 days and I had one hole and 2 spills in the rapids we met. I will tell you more when I come home from camp say "Hello" to West and the other scout even Lee. I wish you were here.

Your Pal  
Lyman

(P.S.) See you soon and be sure to have passed

The First Aid to Animals by the time  
I come home. )
